

STATE COLLEGE AREA SCHOOL DISTRICT FREE MEALS AVAILABLE WHILE SCHOOLS ARE CLOSED

Schools closed due to the coronavirus are able to provide free meals to all students through the National School Lunch Program's Seamless Summer Option. These meals are available for all families and to any child age 18 and younger.

The State College Area School District invites families and care-givers to drive through* and pick up meals for their children beginning on Monday, March 16. Lunch and breakfast for the following day will be provided on a first come, first served basis. **Children must be present in order for meals to be provided.** Please stay in your car and meals will be passed through based on the number of children in the car.

Pick up is available Monday through Friday at:

State College High School Bus Loop	11:00 a.m. - 12:30 p.m.
Weis Market Parking Lot, North Atherton Street	11:00 a.m. - 12:00 p.m.
Ashworth Woods Apartments, Boalsburg	11:30 a.m. - 12:30 p.m.

Lunches will include sandwiches, fresh vegetables, fruit, milk and a dessert treat. Cereal, yogurt, banana bread, and bagels are some of the items that will be provided for breakfast. Breakfast bags will also include fruit, juice, and milk.

We encourage families to continue to be proactive in reducing the risk of coronavirus by not congregating at the pick-up site once meals have been distributed, continue to wash your hands often, sneeze or cough into a tissue, and stay home if you are sick.

Contact the State College Area School District Food Service Department at 814-231-5095 or mas15@scasd.org if you have questions about this service or if you need to make arrangements for medically necessary meal accommodations.

**Families who live in Ashworth Woods or very close to the other sites may walk to pick up their meals but are asked to not congregate at the pick-up site.*
