To: Board of Directors  
From: Robert J. O'Donnell  
Date: December 3, 2012  
Subject: Continuation of High School Project Discussion

On November 12, 2012, our administrative team proposed a general calendar for the high school project leading to referendum during the 2013-2014 school year. After further discussion and revision, this calendar was approved at the November 26, 2012 meeting.

During our upcoming December 17, 2012 board work session, we will collaborate with you to further define the next steps relating to the general calendar. A general outline of items to be included on the work session agenda are as follows:

1. Community Engagement
  - a. Our board subcommittee on communication will share suggestions regarding this effort.
  - b. This will include a focus on our first Community Workshop on January 23, 2013, to be held at High School South Auditorium.
2. Preliminary discussion of Options
  - a. The Crabtree Rohrbaugh team will be present to share their thinking regarding criteria and procedures for your consideration.
3. Educational Planning
  - a. Amy Yurko of Brainspaces, Inc. will review activities that relate to our high school's educational program update.

In an effort to effectively prepare for our December 17 work session, I am requesting you share any suggestions and questions regarding the above topics on Monday, December 3.
