

Just a reminder that NEC Women's rugby is now varsity and we continue to build our roster. If you have players interested in playing college rugby, please have them complete our recruitment form here:

<https://athletics.nec.edu/sports/2018/10/2/womens-rugby-recruiting-form.aspx>.

NEC Women's rugby has full school support, with home and away uniforms, bus transportation, trainers, a dedicated rugby pitch, and excellent coaching.

Thanks, and good luck this Spring!
