

Good Afternoon Coach,

I hope all is well! My name is Stephen Sanchez and I am the head coach of the University of Delaware rugby program. I wanted to reach out to introduce myself and to establish a relationship between our programs before you begin your rugby season.

UD currently plays in the D1AA MARC conference against teams like St. Joe's University, Westchester U., WVU, Towson U. and Pittsburgh. Our goal while I am the head coach is to increase our roster size with talented rugby players who can help bring our program back to the D1A.

If you would like to learn more about our program and/or if you have any players currently interested in UD and UD rugby, please don't hesitate to reach out.

Best,  
Stephen Sanchez
