SEPT 28 - Oct 2
2020**

Young Scholars of Central Pennsylvania

We'd like to have a word (or three) with you about the meals we serve at school.

We're here every day to serve our students delicious meals that are good for them at a price that can't be beat.

Please join us! Lunch: Free!

It is still important to apply -

While meals are free of charge to all students through the fall, it is still important for families who qualify for free or reduced price school meals to apply for that help. Being approved now will ensure a smooth transition when this special program ends at the end of December. This information is also used to help determine funding for school programs and can qualify your family for discounts for childcare and internet services. A family of four with a monthly gross income of \$4,040 will qualify for help paying for school meals for the entire school year. Forms and information to apply can be found on our web page.

FREE FOR ALL!

Funding from the United States Department of Agriculture allows us to provide lunch to every student every day through the end of December.

We've made a few changes to keep students and staff safe.

When it comes to preparing and serving school meals, safety has always been a top priority. In light of the Covid-19 pandemic, we've enhanced training for our staff and made a few changes to our procedures. Staff will wear masks, wash hands frequently, and will be excluded from work if ill. Students will eat in the classroom this year. Lunches will be packed into take-out containers and delivered to them. Also, to limit the paperwork being sent between school and home, menus will only be available electronically. You will be able to find them posted on the school web page.

Together, we'll work to make it a great year and a safe year!
