

Booster club minutes from May 5, 2020

Virtual Attendees: Matt Lintal, Denise Cameron, Jen Vandevort, Tina Scourtis, Jen Roan, Meghan Roeshot, Ann Limegrover, Diane Peghetti, Julie Yoder, Jen Chestnut

Coach Lintal started the meeting with a highlight video.

Denise called the meeting to order. She talked about the April meeting, we approved April minutes.

Treasurers report. Balance is 13,000.00

Jennifer Lulis has accepted the vice-presidents role.

Coah Lintal

Memorial Field is a go. The stands and exterior structure will be done. Locker room and some other things may not be ready, but we can use the stadium.

Matt has spoken with Chris W. and Loren C. about back up plans if we can not go back in the fall, could we have maybe a modified season. Maybe fall sports in Feb and March. The plan is to have every sport this coming year, might have to re arrange the schedule.

We may not have decisions until the larger institutions make decisions. PSU is decided on June 15th.

Have been having weekly zoom meetings with each class of the team. Trying to be sure the boys are connected and doing ok.

Coach Swager has been sending out workouts, agility and lifting.

Coach Lintal has been in many zoom meetings with the teachers, would be good to encourage the kids to get on their zoom meetings, even for a couple minutes. Teachers would love to see the kids.

Denise spoke about maybe Homecoming could be a get together for the class of 2020.

Waiting to see how fundraising can go. Would be tough to send out corporate sponsorship forms because many business' have been impacted and won't have extra money.

Have to wait and see about having a raffle etc. Do not know how the fundraising will work. Might have to charge a fee to families. We could possibly ask parents to donate food/ snacks. Might be able to go through Rebecca/ Irvings for food, we would save money that way for sure.

The players need to be working out now as if football is starting in August, need to be physically ready for the season to be safe. They will have a season, just not sure exactly when.

May have a physician come and give the boys physicals because it will be tough to get physicals scheduled in time.

We will have another zoom meeting in June 2
