

State College Football Booster Club Minutes from Feb. 4, 2020

Attendance: Rebecca Smith, Denise Cameron, Matt Lintal, Valarie Brighton, Julie Yoder, Tina Scourtis, Andrea Koehler, Jen Roan, Meg Roeshot, Jen Vandevort, Ann Limegrover

Call to order and approval of agenda

We approved the December minutes.

We talked about officers, vacancy @ recording secretary (is that my title? Not sure) Meg Roeshot volunteered.

Denise and Rebecca asked for input on the awards banquet. Most of us felt it went well, a few parents thought it was a little long.

Treasurers report. We talked about the new uniforms. Denise and Rebecca met with Coach Lintal and Chris W. about uniforms etc. School will pay for 2 jerseys and we (Booster club) will pay for the 3rd. We talked about the need for new equipment bags. If the prices are as reasonable as we think they are we would like to give each player a bag and a t shirt (instead of the traditional t shirt and pair of shorts). We are still checking on pricing for the bags.

Memorial field update: will be 90% complete by July 31, 2020 great news. Teams will play there this fall. Booster club would like a chance to run concessions. We talked about how we could do this, many details to work out but we would really like to make this work, great opportunity for fund raising for the team. Matt, Denise and Rebecca have let Chris W. know that we are interested in doing this.

Coach Lintal update: 7 players are playing at the next level, Wednesday the 5th will be signing day. Very pleased to see this many boys moving on to play in college, all different levels. We talked about alumni annually giving back to our program, how do we reach them. Matt talking with Chris W. and Loren about the best way to do this. We do not have a date yet for the Spring kick off but it will be end of May or beginning of June.

Fund raising, we will get the raffle tickets from Mark Helbley. Talked about other possible fund raisers. Possibly Sheetz re-usable mugs with our schedule on them. Or maybe hold a second raffle? We need to start thinking about prizes. Tina Scourtis said her family would donate PSU Ice Hockey tickets again.

We discussed food for this fall for the boys. They would like more variety if possible, they seem to like pizza and its reasonably priced so we may try to do more pizza. Rebecca and Denise suggested trying to get food from Rebecca's employer, would be much less money than our usual purchases. We all decided this would be a good idea and we would like to give it a try, just need to work out the details. We discussed possibly getting a meal from Wegmans, would maybe ask for a discount.

Rebecca is only doing 1 jacket order this year.

February 28th and 29th State High cheerleaders are hosting a competition at our school and they need volunteers to help set up all the mats.
