

## State College Football Booster Club minutes March 3rd, 2020

**Attendance:** Rebecca Smith, Denise Cameron, Matt Lintal, Amy Schoen, Jennifer Lulis, Dianne Pighetti, Jen Vandevort, Ann Limegrover

Call to order and approval of agenda

February minutes approved and treasurer's report approved

**Coach Lintal Notes:** Coach provided list of upcoming events in May and June

8 players from the team have commits to play football at the college level; 1 commit for wrestling and 1 commit for baseball

May 24<sup>th</sup> East/West All Star Game we have 3 State College players

May 25<sup>th</sup> Big 33 All Star Game- 3 players from State College selected which is the most in our history!

May 31<sup>st</sup> Lezzer Lumber Game -5 players selected to play

All of these games require sponsorship. Coach Lintal is helping the players to secure sponsorship and if sponsorship is still needed will reach out to football families & boosters for support.

Spring Kick-off Scheduled for June 2<sup>nd</sup>. Details will be discussed as we reach closer time

June 6<sup>th</sup> PSU 7 on 7 Camp

June 26 BEA 7 on 7 Camp

(More details on these events will be posted closer time.

**Coach Lintal also commented that we 32 players make the all academic team which means they maintained a GPA of 3.0 and were letter winners! Congratulations. We had 10 players with 4.0 GPA and over!**

Coach also discussed that we are looking for ways to raise funding for our football program beyond our regular fundraisers. Opportunities with alumni and alumni families is the goal. A meeting is scheduled with Denise Cameron and Loren Crispell on Thursday to discuss options. One item is to create an alumni directory.

## **Old Business:**

### **Memorial Field Concessions:**

Rebecca spoke with Chris Weakland concerning the new concessions at Memorial Field. The proposal is that State college food services will provide the boosters with a menu of options to choose from of items that the boosters would like to sell. We will choose. Food services will then stock and set up the concessions with those items. We will need to supply volunteers. At the end of the night, we will clean up/close/deposit funds. Food services will then inventory and bill us for the items we used. They have advised that this is an area that they will provide support but boosters will receive all proceeds after expenses. We will also be able to have concessions available for 8<sup>th</sup> grade, 9<sup>th</sup> grade and JV games. We just need to be sure we have volunteers to work. Rebecca will create a sign-up genius for this and we will communicate at the spring kick-off.

We are still unsure of storage availability for merchandise that we will have available to sell at games so we will need to explore this closer construction completion.

### **Fund raising**

**Raffle Tickets:** We now have the football schedule for the 2020 season with the exception of 8<sup>th</sup> grade which should be finalized in May. Denise has emailed with Mark Hebely to coordinate this year's raffle ticket printing. We have a list of prizes, but Matt Lintel is going to provide contact information of a butcher shop to Denise as we may pursue providing prizes in the way of meats. The butcher is very interested in working with our school to get some advertising in the State college community.

**Corporate sponsorship:** Denise and Loren Crispell will meet this Thursday to discuss athletic dept. and football program working together so there is not an overlap. Matt is going to join as well. We will finalize a sponsor form to provide to our football families so that they can reach out to local businesses. Jen Lulis has also offered to help send out sponsorships as well.

**Other items:** February 28<sup>th</sup> and 29<sup>th</sup> State High cheerleaders are hosting a competition at our school and they need volunteers to help set up all the mats. Ann Limegrover thanked the football players that were able to attend and help. It was a huge time saver and the cheerleaders appreciated the support! We plan to continue this for next year's cheer event.

Senior Posters: Did not discuss but item from Feb. meeting Todd Judd is providing Denise with pricing

Committees: Just need to organize closer season time

First Team store of the season (Did not discuss but listed from Feb. Meeting)

## **New Business**

Diane Pighetti discussed the idea of a cash raffle. She is going to research this with the VFW or Lions. Denise will check with the AD dept. to verify that it is okay for us to do these kinds of events. We do have a gaming license.

Spring Kick off will be June 2<sup>nd</sup> : More details to follow

Coach Lintal is working on setting up visits with the middle schools to meet with 7<sup>th</sup> & 8<sup>th</sup> grade players: more details will follow.

Memorial Field: Some general discussion held as to some type of open house event. Would also like to plan a private tour for the seniors graduating this year as a thank you and farewell. We will discuss this in more detail with Loren and Chris.

Valeri Brighten also messaged Denise Cameron to advise that she can help in any way with the JV team for this season.

Tentative Listing of May and June Events:

May 11, 13, 15 Max testing  
May 19 CPFCA Combine
