

STATE COLLEGE AREA HIGH SCHOOL BOYS SOCCER TEAM BOOSTER CLUB INFORMATION

What is the State High Boys Soccer Booster Club?

The parents, guardians, relatives and friends of the members of the Boys Soccer Team make up the Booster Club. Participation is voluntary but is appreciated by the boys, coaches and other parents.

What is the Mission of the Booster Club? To make sure the boys have a great, enjoyable experience while representing State College High School by supplementing items the School District provides. The School District graciously arranges for the uniforms, equipment, playing fields, announcers, referees, transportation and schedules the games. The Booster Club enhances wherever and whenever possible to ensure a positive experience for the boys. ***COVID-19 has not changed our mission, but we have made adjustments this year due to the pandemic, shown in red below.***

What does the Booster Club do?

- Maintain a database of all parents and players to facilitate communication.
- Design, print and distribute programs at all home games. ***Programs will be digital this year with the exception of Senior Night, date TBD***
- Display sponsor signage at all home games.
- Ensure concessions are available at all home games. ***Concessions are not permitted during COVID***
- Coordinate the Clothing Order for all State High Boys Soccer apparel purchases. ***Coming Soon!***
- Coordinate the official team photos.
- Provide pre-trip meals for several away games (usually six). ***We will provide post-game meals only as many parents will be driving with their boys to away games.***
- Provide post-game meals for long-distance away games.
- Provide pizza on Meet the Players night. ***No event this year***
- Coordinate a Teacher Appreciation Night at one home game. ***No event this year, seniors will celebrate their favorite teacher without bringing them to the game.***
- Assist the coaching staff in communicating with the media, yearbook and SCASD administration.
- Create, organize, and produce the Senior Night event and Senior Gifts.
- Create, organize and produce the End-of-Season Banquet. ***No in person banquet this year***

As a Parent or Guardian, what are the financial expectations?

Dues are \$125 per family and \$40 for each additional player from a family. Dues for practice players are \$60, this year practice players will receive photos and an end of season shirt. NOTE: These dues are requested and are not required – do not give if doing so creates a financial hardship. Company/Personal Sponsorships are available for \$100 and \$400. See the Sponsorship Sheet on the last page. Additional donations are always appreciated! (We do NOT ask for concession donations, so please give generously if you are able!)

As a Parent or Guardian, what are the time/volunteer expectations?

Assist wherever/whenever you can. Sign up for one of the following great opportunities, or ask a Booster Club Officer and they will be happy to find one for you!

- Senior Night – event to recognize all seniors
- Game Day Meals – plan 8 pre-bus-ride meals and 2 post game away meals
- Teacher Appreciation Night – plan October 1st event for Seniors to acknowledge a Teacher
- Media Assistance – create and disseminate info to media, social media, yearbook and SCASD
- Photography/Videos – take photos & video of games and practices, then edit into season video
- End-of-Season Banquet – plan December 1st event for the entire team
- Home Game Sponsor Sign Installation – install and remove signage at all home games

At this time many of our volunteers from last year have stepped up, thank you! Our need is for photography/video and end of season video help and a media coordinator. Please email Lee Anne if you can help

Who are the 2020 Booster Club Officers and how do I contact them?

- Eric Wales, President - ericwales@soccershots.org
- Monique Murphy, Vice-President - monique.murphy8@gmail.com
- Lee Anne Jeffries, Secretary – lovely_mud@yahoo.com
- Pam Adams, Treasurer – pjadams9902@gmail.com
