

Safely at School and Early Dismissal Plan  
Corl Street Elementary School

---

The State College Area School District is  
requiring that all children participate  
in the SAS (Safely at School) Program.

---

**Safe At School**

If your child/children will be absent or late, you need to call 231-1188 or email [cjk12@scasd.org](mailto:cjk12@scasd.org) by 9:00 am.

Please leave a message or include in your email:

- the date of the absence
- the student's full name
- the student's room number or teacher's name

If you have not left a message, you will be telephoned to verify the absence of your child/children.

If your child/children will be late to school but would like to order a lunch, please call 231-1185 or email the attendance secretary at [mdm21@scasd.org](mailto:mdm21@scasd.org) prior to 9:00 a.m.

Upon returning to school from being absent, please remember to **SEND A WRITTEN EXCUSE** with your child/children.

.....

**EARLY DISMISSAL PLAN**

Many of our students have alternate childcare arrangements on an Early Dismissal Day.

We would like to keep a copy of these arrangements in the school office. Having this information in advance saves a lot of confusion in an already hectic situation.

Please complete the online SAS form either by printing a hard copy and returning it to the Corl St. office or by saving it as a pdf and e-mailing it to [cjk12@scasd.org](mailto:cjk12@scasd.org). Make sure to keep a copy for yourself and to discuss the plan with your child/children.

Please complete the SAS form as soon as possible. Thank you.
