

August 2018

Dear First Grader,

Welcome to our classroom! My name is Ms. Tomasko, and I am so excited that you will be in our class this year! I am looking forward to working together, having fun, and making lots of friends. We will do so many exciting projects and activities! Our classroom is on the first floor and is Room 172.

I can't wait to hear about what you've been up to this summer! I'm also looking forward to getting to know you better. What do you like to do for fun? What is your favorite food? Do you have any pets or brothers/sisters? What are you excited to learn about?

Some of the activities that I enjoy are spending time with my pets, (Pooch Bear, the dog, and Sammy and Baby, my two kittens) reading, doing crafts, yoga, and spending time with friends and family. I also love learning new things! I like all kinds of food but particularly enjoy anything spicy. I have one sister who is also a teacher. I can't wait to share my favorite books with you and hope you will share yours, too.

It is going to be an amazing year in our room. We will be learning about friendship, how we all are special, and all about how plants grow in our first Science/Social Studies unit. In reading, we will explore tons of interesting books as we learn new reading skills. We will also learn how to be writers, so we can write to make people laugh, teach information, and give people our opinions! We will have so much fun learning together!

I hope that you are as excited for the first day as I am! I can't wait to meet you on the first day of school, **Monday, August 27th**!

Love,
Ms. Tomasko
