

Bienvenue à la Classe de Français 2!

Overview: French II is an advanced course that will prepare you for French III. This is a rigorous course in which we will continue to build our speaking, listening, reading and writing skills in French as well as expand our understanding of the culture of the Francophone world. I expect only the best work from each and every one of you!

Materials:

All course materials will be available on Canvas.

Class Expectations:

- 1. Come to class prepared.** Every day, you should have a charged laptop or Chromebook and any additional materials you find useful to your learning.
- 2. Complete assignments on time.** If you are given an assignment, it is due at the beginning of class on the next day you are in school for full credit. You may submit late work for credit. Assignments can be found on Canvas.
- 3. Respect others.** Respecting yourself, your classmates, and your teacher is expected every day, all day. Learning a language can be challenging, so it is very important to treat others with kindness and respect.
- 4. Participate!** It is difficult to learn a language without practicing. Participating will keep class more exciting, engaging, and fun... plus you can earn prizes!
- 5. Ask for help!**

I look forward to meeting all of you and having a great school year together at SCAHS! Feel free to email me at blb31@scasd.org if you have questions at any time
