

**State College Music Boosters Meeting Agenda**  
**Monday, April 4, 2016**  
**Room 38**  
**7:00 – 8:00pm**

**1.Introductions:** Paul Leskowicz, Becky Misangyi, Heather Bodenschatz, Sue Cunningham, Margaret Higgins, Wendy Warner, Christy Bagley, Leigh Hurtz, Jenny Koberna, Jean Pierce, Diane Felmlee

**2.President's Report:** Becky: Jean Najar has agreed to take over Restaurant Fundraisers. We still need more people to cover open volunteer positions. Encouraged all of us to personally ask people we think would be willing to help. We will divide the refreshments responsibilities for next year to make this position easier. Heather questioned whether refreshments need to be provided after each concert. We will discuss plans to reorganize in the future and implement this fall. Sue: nothing to report.

**3.Vice President's report:** Heather: Nothing to report

**4.Treasurer's report:** See attached. Margaret has deposited money collected from "The Greek". All monies have been placed in students' accounts so that they are available for use on the adjudication trip. We spent money on the magnets, but this money should return nearly five fold.

**5.Secretary's minutes reviewed.** Motion to approve by Christy, second by Leigh, approved unanimously. Jenny: Will send minutes to the officers for input first, then bring the minutes to the meeting to be reviewed and approved.

**6.Music Director's Report: Paul Leskowicz.**

- A. For adjudication, a copy of the birth certificate is sufficient if they are 19years of age or younger. They do not need to bring the original. Paul would like to have copies of all birth certificates and passports to have for the trip as back-up. He will be emailing about this soon.
- B. Held a recent inservice with music faculty to continue to discuss curriculum revision. They are making a master plan for K-12.
- C. PMEA States was a success. Several music faculty attended. Excellent workshops.
- D. All State students represented State College well. We continue to have the most students from any single school in the state, as we have for 43 years running. Discussed All East and how students are selected. This is always one year behind, so only underclassmen are eligible.

- E. Registration is coming up soon for marching band. He is working on the band picnic details.
- F. State College homecoming is on the same night as the PSU homecoming parade this year. He will consider how to handle pre-game and participation by alumni this year.
- G. Adjudication: He rescheduled the adjudication chaperone's meeting until 7:30 on Monday the 25th. Because we are leaving very early on Friday morning, music faculty are discussing the possibility of bag checks on Thursday night.
