**Monday, January 22 – Sunday, January 28, 2024**

## ***EASTERLY STUDENTS ARE READERS!***

January is a month to celebrate reading at Easterly Parkway! All students are encouraged to take part in the Read-A-Thon, where students receive points for reading 20 minutes a day, with a chance to earn extra points for reading books in different genres, participating in the Family Reading Night on January 25 at 6:00 p.m., and finding golden tickets.

### **Program Details:**

- Earn a point for each day you read for 20 minutes a day between **January 22 and 28**.
- Earn an extra point for each book that you read in one of the categories listed.
- Earn an extra point for participating in the Family Reading Night on January 25 at 6:00 p.m. at the Easterly Parkway library.
- Find Golden Tickets with extra points in the Easterly Parkway library books.
- Record the pages on the calendar log (see back page), have a parent or guardian sign their name, and give to your teacher by February 5. You also can scan the form and email it to [jaimiewright@gmail.com](mailto:jaimiewright@gmail.com) by February 5.

**Individual Prizes:** Students who participate will receive a \$5 gift card in Scholastic Dollars to use at the Easterly Parkway Book Fair from Feb. 12-16. The 10 students with the most points will have their names read over the loud speaker.

### **Class Prizes:**

- **The class that has the most points** will earn an ice cream party.
- **The class with the greatest participation** will earn an ice cream party.

### **Rules:**

- Read books at your reading level.
- For a student who cannot read alone, an adult may count books read aloud to the student.
- You can read your own books, library books, or online books (accessible from your Chromebook).
- You can record time read in class or at home.
- You can only record one book for each genre. (For example, if you read a fiction book that takes place in the 1940s, you can count it either as fiction or historical fiction, but not both.)

Please contact coordinator Jaimie Wright with any questions ([jaimiewright@gmail.com](mailto:jaimiewright@gmail.com)).
