School Phone Number: (814) 231-4419

Our Week of Learning

Highlights from the Week

Math:

This week, we wrapped up our third math unit. The children had fun solving each other's story problems at the beginning of the week. When we return to school after the winter break, we will be starting Unit 5. Unit 5 focuses on place value to one thousand. We are skipping Unit 4 on measurement until later in the year.

Reading Workshop:

During reading time, the children continued to work on figuring out the main idea for several texts we read as well as identifying at least two key details that support the main idea. We will be revisiting fiction when we return after the winter break.

Writing Workshop:

The children have been working throughout the week revising, editing, and writing their final good copy of their informational piece on American symbols. They have been working so hard! We hope to finish them next week. We will be returning to narrative writing after the holidays. Our focus will be on realistic fiction.

Happy Holidays!

Hope this Holiday Season brings you many great memories and wonderful reasons to smile!

This & That

- **Winter Break** begins Thursday, December 24th. Wednesday, December 23rd is an asynchronous day. School resumes remotely on Monday, January 4, 2021.
- **Material pick up on Monday, December 21st.** This pick up will have materials (and a special little something) for next week as well as for the week of Jan. 4th. You can pick up your child's folder between the hours of 8:30 and 2:30. When you come to pick up the folder, please return the following items: Snowman Math Riddle page, the Unit 3 Math Post-Assessment, and the Clownfish information page. If your child finishes his/her informational piece, you can drop it off as well. Thank you!
- **Special schedule:** Art continues with Mrs. Stallings.
