Welcome Parents and Guardians of the Class of 2027!

9TH GRADE KICK-OFF:

Welcome to 9th Grade!

Welcome to the State College Area High School! The Class of 2027 has much to look forward to this year. We will work hard to ensure your child has a wonderful ninth-grade year. Please read on for some important information. The mission of 9th grade is to promote a successful transition for incoming students by providing a system that encourages responsive teaching and learning. Teachers collaborate in order to help students reach their potential, establish healthy relationships, and discover their strengths and passions in a safe and welcoming learning environment.

Back to School Night

Back to School Night is an open house where parents and guardians are welcome to walk their child's schedule and meet their child's teachers. We hope to see you on

Thursday, September 16.

There is an informational session at **6pm for 9th grade parents in the Performing Arts Center**. The open-house portion begins at 6:30pm. The event concludes at 8pm.

School Meals

School breakfast is free for all students throughout the 2023-2024 school year.

Welcome to State High! We are excited to begin our year with your student and with you.

To support students' awareness of the building and expectations, we will hold a student-only 9th-grade kick-off event on **August 17 from 12:30-2pm**. Please drop your child off at the back entrance of the school. Please pick up your child promptly at 2pm, as this is a teacher in-service day and our entire staff is preparing for the first week of school.

Kick-off will have a brief welcome session, a student panel Q & A, and give students the chance to walk their schedule. Have your child bring a printed copy of their schedule or a screenshot on their phone.
