

To our parents within the SCASD community,

We are excited to inform you of a change within our Athletic Department that we hope will improve the experience of submitting your Pennsylvania-approved PIAA physical that officially registers your son or daughter to be eligible to compete in a PIAA sport.

As of June 1, our department has partnered with PRIVIT to offer a platform for electronic submission of physicals. Similar to previous timelines, you must still submit a physical that is signed by a Pennsylvania physician, and dated June 1, 2019 or later. Fall sports physicals are due no later than Aug. 5, with practices scheduled to begin Aug. 12.

The deadlines for fall, winter, and spring sports physicals are as follows:

Fall Sports: **August 5**

Winter Sports **November 11**

Spring Sports: **February 24**

As always, student-athletes can submit physicals for fall, winter and spring sports at any time after June 1.

Once a student-athlete has played one sport during the school year, he or she is only required to fill out the recertification form for participation on other sports teams.

- There will be dates in November and February, at which time re-certifications for winter and spring sports can be submitted, and those dates will be communicated on our athletics website, as well as through emails from our department.

Some of the benefits we hope to realize through this change include:

- Saving time completing athletic registration and physical forms
- Access to your child's information anytime and anywhere
- Entering your child's information one time

For registration instructions and SCASD-specific registration, please use the following link:

Steps:

1. Register / create an account for yourself and your child(ren). *(Select the grade of your child for this upcoming year)*
2. When submitting a student ID, be sure to enter the correct number.
 - a. When submitting first and last names, please begin each name with a capital letter.
 - b. When submitting a phone number, please include the (-) within the number.
 - c. If you are using the autofill feature, be sure to check that the student and parents names are appearing in the correct fields.
3. Complete the first 7 highlighted steps on your personal page.
4. Print out Sections 5 & 6, which will include the doctor's physical evaluation form.
5. Take those pages to your doctor's office.
6. Upload the physical forms to PRIVIT. *(If you have difficulty uploading the physical forms, you may bring them to the athletics office for assistance)*

We want you to have a positive experience as you register your student-athletes for athletics. Please direct questions to the **Privit Support Desk:** 1-844-234-4357 (Monday to Friday 8 a.m. to 5 p.m.) and leave a message that includes your email address and phone number.

Sincerely,

Linda Fiorante
