STATE COLLEGE AREA SCHOOL DISTRICT PREFERRED PATIENT PROGRAM

- We would like to introduce you and your staff to Nittany Eye Associates and the quality eye care that we have available at our 4 offices. The quality eye care services that we are able to provide to you and your staff includes but is not limited to:
 - A combined 140 years of eye care experience
 - We provide an 24/7 emergency eye care service to our patients (no ER waiting)
 - We have the most advanced diagnostic technology in Central PA to detect eye conditions and diseases early
 - We offer total family eye care from pediatric to geriatrics
 - We offer a full service optical department at all of our locations and provide contact lens fitting and care services as well
 - Our specialties include LASIK surgery (the only on-site laser surgery center in Centre County), retina, cataract surgery, vision rehabilitation, and glaucoma just to mention but a few (refer to our brochures)
- The doctors and staff at Nittany Eye Associates pride ourselves in treating each patient as an individual and providing excellent customer service.
- Nittany Eye Associates looks forward to caring for the staff and family members of the State College Area School District eye care needs.
