

STATE COLLEGE AREA SCHOOL DISTRICT
Learning Enrichment and Student Service
Memorandum

IV - C

DATE: 8/21/13
TO: Board of School Directors
FROM: Jeanne M. Knouse / Heather Card 
RE: Non-Resident Student

We have received a letter from the father of a 12th grade student that requests that his daughter be permitted to remain at State High to complete her senior year during 2013-2014 school year. The daughter has been enrolled in State High since the start of the 2010-2011 school year.

Board policy permits a senior that has moved from the District to complete the current school year if the student has been enrolled in the District for at least the past two school years, subject to a full or partial waiver of all tuition charges. Mr. Scott DeShong, High School Principal has approved this request.

To the State College Area School Board,

I am requesting that my daughter, Chandley Rose Book, who will be a senior during the 2013-14 academic year be permitted to finish her high school education at State High in accordance with District Policy Section 202. She has been a resident and student in the district throughout her scholastic years, is a good student, and actively participates in the music and sports programs. While my wife and I continue to work in the State College District we have recently moved to Axemann in the Bellefonte School District. While our other younger children will be making a transition to the Bellefonte District, Chandley strongly desires to finish her undergraduate academic career at her high school with the coaches, teachers, staff and students she has grown to know, respect and love.

Sincerely,

Brent Book
