Memo

To: Robert J. O'Donnell, Superintendent
From: Donna M. Watson
Assistant Business Administrator
Date: September 8, 2016
Subject: July Treasurer's Report

Attached are financial reports for July 2016. Below are explanations of major variances compared to the prior year.

Local revenue is approximately \$979,500 less than prior year. This decrease is primarily related to the timing of receipt of real estate tax collections.

State and Federal revenue is approximately \$490,000 and \$50,000 in excess of prior year, respectively. The budget impasse in the prior year delayed most State and Federal receipts until January 2016.

Expenses increased approximately \$478,000 compared to the prior year. The most significant increases relate to personnel expenses of approximately \$348,000, primarily PSERS. PSERS expense increased approximately \$234,000 primarily related to an increase in the contribution percentage. Variances in non-personnel expenses are primarily related to timing of purchases compared to the prior year.

On a monthly basis, actual revenue and expense by detailed lines are compared to budget and prior year actuals. The budget column represents the full year, therefore, each month we look at the receipts or spending to date as a percentage of the total budget, taking into consideration known variations in the timing of each line.
