RE: **Contract Award – Temporary Bleachers**  
Date: May 20, 2013

Recommend that the Board of School Directors award the contract for purchase of temporary, moveable bleachers to George Ely Associates, Inc. in the amount of \$52,374.00.

**Background:** This contract is being awarded under the Costars Program (Pennsylvania State Contract). COSTARS-014-011

The bleacher assembly will be installed temporarily in the area where part of the East (home) Grandstand was removed for sinkhole repair. These bleachers can be disassembled and moved to another location when the East Grandstand project is undertaken.

The 20-row assembly that is being purchased will replenish approximately 546 of the 807 lost seats. (approximate numbers are used due to the bench seating configuration) This is the largest temporary bleacher that is feasible for this footprint.

Additional costs of around \$10,000.00 are anticipated for installation.
