RE: Appointment to SCASD Foundation Board

Date: August 4, 2016

Board Leadership recommends Penni Fishbaine be appointed as Board Representative to the State College Area School District Foundation, Inc. for the remainder of 2016. A District Board of Director appointment is allowable under Article 2.2 of the Foundation Bylaws.

Once appointed to the SCASD Foundation Board, the Board Representative will have the opportunity to provide updates to the Board of Directors regarding the Foundation's progress. This Board appointment will become part of the annual reorganizational approvals in December.
