RE: Summer Projects award

Date: June 12, 2017

Recommend that the Board of School Directors award the contract for tennis court resurfacing at Park Forest Middle School to Nagle Athletic Surfaces, in the amount of \$68,937.00.

Background: The Park Forest Middle School tennis courts were last resurfaced in 2006. The planned cycle for this work is 10 years and this project was deferred last year. The recommended contractor has successfully completed numerous similar projects for the district and holds a cooperative bid contract for this work.

The project will be funded from the existing Physical Plant 5-year plan budget. A table of projects is attached.
