RE: **High School 90% Document Access**
Date: June 8, 2015

Access to the 90% documents is achieved by visiting the following FTP site (this is the same site and password that was used for the 60% documents):

<ftp://ftp.cra-architects.com/>

User name: SCASD60

Password: SCASD60

The same access will be used throughout this design approval phase. If there are any changes or updates to these documents, you will be notified. Please note that due to the nature of the 90% documents, these are very large files.
