From: Donna Watson, Assistant Business Administrator
Date: May 20, 2021
Subject: March 2021 Treasurer's Report

Attached are financial reports for March 2021. Below are explanations of major variances compared to the prior year.

Local revenue is approximately \$2,369,000 less than prior year. Real Estate Tax revenue is approximately \$1,000,000 in excess of prior year primarily related to the additions of assessed value, offset by the reductions from assessment appeals. Delinquent real estate tax revenue is in excess of prior year by approximately \$202,000 primarily due to timing of receipts. Tuition is less than prior year by approximately \$1,062,000 due to the impact of the COVID-19 pandemic. Earned Income Tax revenue is less than the prior year by approximately \$253,000 due to timing and the impact of COVID-19. Interest on investments is less than prior year by approximately \$731,000 due to the decline in interest rates. Real estate transfer tax and interim real estate tax are less than the prior year by approximately \$445,000 and \$688,000, respectively. Other net decreases totaling \$392,000 include impacts of COVID-19 on payment in lieu, gate receipts, rental income, driver's education, and parking permits.

State revenue is approximately \$448,000 less than the prior year. Pennsylvania Department of Community and Economic Development (DCED) grant revenue in the prior year was approximately \$590,000. PSERS revenue is \$124,000 lower than prior year primarily related to a decrease in salaries and related PSERS expense. Health Services revenue is \$138,000 in excess of prior year due to the timing of reimbursement and social security revenue is in excess by approximately \$123,000 related to the receipt of a prior year shortfall. Federal revenue is in excess of the prior year by \$158,000 related to CARES Act funding and the timing of grants and medical assistance reimbursement receipts. Other Financing Sources revenue is less than the prior year by approximately \$1,300,000 due to the sale of Lemont Elementary in the prior year.

Expenses are less than the prior year by approximately \$9,200,000. Salaries are less than prior year by approximately \$2,521,000 due primarily to unfilled positions for a portion of the year, less than

budgeted use of substitutes and the reduction in summer programs, CEEL and other activities/programs as a result of the pandemic. Employee benefits are less than prior year by approximately \$218,000 with health insurance approximately \$634,000 higher related primarily to premium increases while the remainder of benefits are \$851,000 lower related to the decrease in salaries. Non-personnel related expenses are less than the prior year by approximately \$6,461,000. Increases include COVID-19 related expenditures of approximately \$2,618,000, insurance premium expense of \$90,000, and an increase in refund of prior year Real Estate tax receipts of approximately \$223,000. Offsetting decreases include the transfer to the Capital Reserve fund in 2019-20 for the sale of the Lemont Elementary building of \$1,300,000 and transfers to the Capital Reserve and Capital Project funds of \$892,000 and \$1,723,000, respectively. The transfer to the Capital Reserve fund was eliminated and the Capital Project transfer was significantly reduced from the budget for 2020-21 as part of expense reductions required due to the impacts of the pandemic. Other expense decreases compared to the prior year include debt service expense of approximately \$1,135,000 related to the savings from refinancing and timing of debt service payments, and \$293,000 related to deferral of bus purchases in the current year. The remaining variance of approximately \$4,043,000 is primarily related to the timing of expenditures and budgeted cost reductions.

On a monthly basis, actual revenue and expense by detailed lines are compared to budget and prior year actuals. The budget column represents the full year, therefore, each month we look at the receipts or spending to date as a percentage of the total budget, taking into consideration known variations in the timing of each line.
