Subject: October 2020 Treasurer's Report

Attached are financial reports for October 2020. Below are explanations of major variances compared to the prior year.

Local revenue is approximately \$1,044,000 less than prior year which is primarily due to the impacts of the COVID-19 pandemic. Tuition and earned income tax revenue are less than prior year by approximately \$693,000 and \$196,000, respectively. Interest on investments is less than prior year by approximately \$306,000 due to the decline in interest rates. Interim real estate tax is less than the prior year by approximately \$90,000. Real estate transfer tax is greater than prior year by approximately \$269,000 due to large transactions and delinquent real estate tax is greater than prior year by approximately \$154,000 primarily due to timing of receipts. Other net decreases totaling \$182,000 include impacts of COVID-19 on gate receipts, rental income, driver's education, and parking permits.

State revenue is less than the prior year by approximately \$486,000 with approximately \$456,000 attributable to the timing of the property tax reduction payments. Other state revenue is less than the prior year by approximately \$58,000 related to DCED grant revenue. State revenue is offset by an increase in reimbursement for retirement of approximately \$102,000 related to the timing of revenue recognition. Federal revenue is in excess of the prior year by approximately \$307,000 related to CARES Act funding and the timing of grant and medical assistance reimbursement receipts. Other Financing Sources revenue is less than the prior year by approximately \$1,300,000 due to the sale of Lemont Elementary in the prior year.

Expenses are less than the prior year by approximately \$3,293,000. Salaries are less than prior year by approximately \$1,112,000 due primarily to unfilled positions to this point and the reduction in summer programs, CEEL and other activities/programs as a result of the pandemic. Employee benefits are less than prior year by approximately \$161,000 with health insurance approximately \$308,000 higher related primarily to premium increases and the remainder of benefits \$469,000

lower related to the decrease in salaries. Non-personnel related expenses are less than the prior year by approximately \$2,019,000. Increases include COVID-19 related expenditures of approximately \$1,056,000 and insurance premium expense of \$90,000. Offsetting decreases include the transfer to the Capital Reserve fund of approximately \$1,300,000 for the sale of the Lemont Elementary building, \$148,000 related to deferral of bus purchases in the current year, debt service of \$136,000 primarily related to the refinancing of the 2014 bonds, with the remaining variance of approximately \$1,600,000 related primarily to timing of expenditures and intended reductions in budgeted expenses.

On a monthly basis, actual revenue and expense by detailed lines are compared to budget and prior year actuals. The budget column represents the full year, therefore, each month we look at the receipts or spending to date as a percentage of the total budget, taking into consideration known variations in the timing of each line.
