Subject: Preliminary General Fund Budget

Attached is a resolution for approval of the Preliminary General Fund Budget. If approved as presented, the preliminary budget would allow the District to seek exceptions to the Act 1 index. The taxing power that would remain with the Board would allow for an up to 3.3% real estate tax increase. Approving this budget with exceptions does not bind the District to pass a final budget in June with that level of increase. This approval would allow flexibility in determining how the District will fund its cost obligations.

The preliminary budget was developed with a number of assumptions. The only local revenue that was allowed to increase was real estate tax. Assessed value was assumed to increase by 1%. The real estate tax rate in the budget is 38.067 mills. This equates to a 3.3% tax increase and an increase of 1.217 mills over the current rate of 36.85 mills. The corresponding dollar increase to the average homeowner would be \$85.

At the state level, the following assumptions were made:

1. The only state revenues that would increase are the state share of FICA and PSERS

2. Basic Education Funding was assumed to fall by \$500,000 to partially offset the increased PSERS funding. This is hoped to be a conservative assumption. It takes into account the possibility of the state funding some of their share of the PSERS increase through a reduction in Basic Education Funding.
3. The \$128,000 of Accountability Block Grant Money was assumed to continue.
4. There is no reflection of property tax reduction money in state revenue. The form does not allow for that to occur. This is not a net reduction in revenue, however. Property tax revenue is shown by an equally higher amount in the local section. This is a quirk of the state preliminary budget form and is not an assumption that there will be no property tax reduction money this year.

Federal revenue was assumed to remain flat.

All operating expenses except for PSERS and Health Insurance were assumed to grow at 1.7%. Health Insurance was assumed to grow at 12%. PSERS is per the rate certified. (12.36% in 12-13, up from 8.65% in 11-12). The current PSERS pre-funding strategy is assumed to continue (\$515,000 increase in fund balance in 12-13). The \$1 million of money that was transferred to capital reserve for 11-12 was also assumed to continue in 2012-13.

Moving forward, once the Governor's budget is released, we will refine all of the assumptions in the budget as well as reflect on items contained in the budgetary reports. Our goal is to present recommended budgetary strategies on February 20. For now, a preliminary budget must be passed.

NOW, THEREFORE, IT IS HEREBY RESOLVED:

That the Board of School Directors of State College Area School District, Centre County, Pennsylvania hereby adopts the preliminary General Fund budget of and for said District for the fiscal year commencing July 1, 2012, as more fully set forth in PDE Form 2028 which was presented at this meeting;

Further, that said Board of School Directors hereby preliminarily authorizes the expenditure of \$118,334,351 dollars with estimated revenues of \$116,596,481 during the fiscal year July 1, 2012 through June 30, 2013 and more particularly and fully detailed in the proposed annual budget as aforesaid; and

Further, that said Board of School Directors does hereby preliminarily levy a real estate tax of 38.067 Mills of the assessed valuation (\$3.8067 per \$100 of assessed value) on all real estate within the State College Area School District, pursuant to the authority of "The Public School Code of 1949", as amended for the school fiscal year as aforesaid; and

Further, that said Board of School Directors continues to levy the following taxes heretofore levied pursuant to the authority of Act 511, "The Local Tax Enabling Act", as amended: (1) Realty Transfer Tax -1/2%; (2) Earned Income Tax - .95%; and (3) Local Services Tax - \$5.00 and that said proposed taxes as levied and continued to be levied shall provide revenue for the proposed expenditures authorized above.

Further, since the Act 1 index applicable to the State College Area School District as calculated by the Pennsylvania Department of Education is 1.7% and the preliminary real estate tax increase is 3.3%, the preliminary General Fund budget assumes that State College Area School District will receive approval for use of one or more Act 1 real estate tax referendum exceptions. The District shall take all steps required to obtain approval for the referendum exceptions contemplated in the Preliminary Budget Proposal, including advertising once in a newspaper of general circulation.

ENACTED as a Resolution of the State College Area School District at a Regular Meeting of the Board of School Directors held on the 23rd day of January 2012.
