PARENTAL REQUEST FOR ADMINISTRATION OF OVER THE COUNTER MEDICATIONS WHILE AT SCHOOL

The certified school nurse or other licensed health care professional may administer the following over the counter medications to students during school. The following medications will not be administered at school without this form on file in the Nurse's Office. This consent covers occasional use only and medications will be given at the nurse's discretion. Any student who requires any of the listed medications daily or on a regular basis will need a medical consent form from their physician. **A new form must be completed every year.**

Student Name: _____ School _____ Grade _____

Complete this portion by checking the over the counter medication(s) that your student may receive while at school:

_____ 1. *Bacitracin antibiotic ointment*

_____ 2. *Calamine*

_____ 3. *Hydrocortisone Cream 1%*

_____ 4. *Mentholyptus cough drops*

_____ 5. *Aloe Vera lotion*

My child may take the medication specified above. The school nurse or other licensed health care professional has my permission to dispense this medication to my child. As parents/guardians of the child named below, I/we release the State College Area School District and its employees or agents from any and all liability for any injuries my child may suffer as a result of this request.

(Date)

Parents/guardians may choose **to supply** their child with **non-aerosol topical sunscreen**, if it is approved by the U.S. Food and Drug Administration.

By checking this box, you confirm that your student knows the proper method of self-applying the non-aerosol topical sunscreen product.

A school may cancel or restrict the possession, application, or use of a non-aerosol topical sunscreen product by a student if the student fails to comply with the medication procedure guidelines.
